

Work with One. Leverage the whole group.

Since 1956, **Rowlands Group** has grown into a network of specialist companies whose integrated capabilities deliver complete, end-to-end solutions in manufacturing, services and infrastructure.

Markets we serve:

- Manufacturing
- Infrastructure
- Government
- Agriculture
- Defence
- Medical
- Maritime
- and more

Broad Experience:

- 60+ years manufacturing and finishing in South Australia.
- 40+ years in furniture and lighting.
- 100% Australian-made public furniture.

Industrial & Manufacturing Solutions

Precision sheet metal design, fabrication, and assembly for complex, high quality builds.

Industry-leading coating services and protective finishes that extend service life.

Keeping critical assets running with port services, labour hire and heavy machinery maintenance.

Public Realm Products & Services

Australian-made furniture designed for public spaces and urban projects — built to last.

Smart, sustainable LED lighting solutions for public and commercial spaces.

You bring the challenge. We bring the know-how.
