

# Australian Institute of Work-integrated Education and Research (AIWER)

RTO Code: 46175

## Who We Are

AIWER is an innovative Registered Training Organisation (RTO) delivering practical, industry-aligned, nationally recognised vocational education and training. Our focus is to develop skilled, job-ready graduates through flexible, work-integrated learning pathways. We work closely with industry partners to ensure our training reflects real workplace needs and delivers strong employment outcomes.

We offer workforce development solutions through:

- Flexible workplace-based, online and hybrid training delivery
- Apprenticeship and traineeship pathways
- Industry-aligned practical training and assessment
- Work-integrated and blended learning models
- Workforce upskilling and capability development initiatives

## Core Capabilities & Differentiators
